Featured in Westport Magazine's spotlight: Top Ten Teens to watch. One of ten students interviewed for the feature "Faces of the Future" where exceptional abilities are shown.

### **Extracurricular Activities and Accolades**

Student Council President (June 2014-June 2015)

Served prior as class president where a 2500% monetary account increase was witnessed during tenure. As Student Council President, represented the student body and worked along side the administration and outside contractors to:

- plan large social events [dances, entertainment/activity nights].
- provide direction for the school [give insight on student habits/desires/goals]
- create new programs and update the school [executive incentive, eating areas]

Best Buddies: Officer, Peer Buddy, and Treasurer (2013-Present)

Best Buddies provides the chance for students to pair with disabled students and form a one on one friendship, enriching the school and life experience. Worked to:

- Bond and form a relationship
- Nurture and improve the life of another individual on a daily basis
- manage and grow funds to pay and plan chapter activities

National Honor Society - Charles.T.Tillinghast Chapter (Fall 2013-Present)

Help to improve the academic lives and community status by:

- Tutoring an underclassman (4 hours every month)
- Participating in, and hosting community service/charitable activities

Community Gardening: Co-Lead (Spring 2014-Winter 2014)

Assisted and organized a community garden located at Trackside community center. The garden, given to two students every year, produces food for the Wilton Food Pantry. Took a statistical/data-driven approach by using sensors to create the most efficient/self-sustaining garden possible in the environment (higher food yield).

- Produce/provide for the welfare and well-being of others.
- Direct and operate a large, four bed, garden.

St.Baldrick's Foundation: President (2013-Present)

Served as the event President for the St.Baldrick's Foundation event at Wilton High School. Working with peers to host a night for 72 individuals to have their heads shaved.

- Worked within the community to procure charitable donations and goods
- Formulated marketing copy

In 2014 we raised more than 23,000 dollars in our own school community.

News Broadcast-Morning Warrior: Executive Producer (Fall 2012-Present)

Served as the primary editor/operator (2012-2013) before becoming Executive Producer (2013-Present) of the Wilton High School News Program: Morning Warrior. Worked to:

- manage distribution and awareness of school activities
- develop a capable live broadcast team (speaking and improvisational skills)

## **Employment**

Founded *Craymer-Pellaton Technologies* ([vimeo.com/cooperpellaton](https://vimeo.com/cooperpellaton)) (Fall 2012-June 2014)

Created, with a partner, a business which produces both advertising and personal videos in a paid and charitable capacity. Provided insight into working with others, managing clients and business funds, and working towards deadlines with aggressive demands. Allowed the opportunity to have a foray into the business world at an early age and to formulate managing and interaction skills.

Selected Clients: Andrew Basile, Jack House, Christian Felner ("Felly"), Laxceed LLC, Reshaping Reality, Wilton Education Foundation (Acoustic Wilton), etc.

Proficient in Final Cut Pro 7, Adobe CC and CS6 Production Premium, Avid Media Composer, and Davinci Resolve 10 and 11

Selected Charitable Videos Produced:

- *Never Surrender to Parkinson's* Documentary
- *Michael Gray Race and Adaptive Sports Foundation* Promotional Videos
- *The Grim Reaper Day Documentary* for Teen Awareness Group (T.A.G.) of Westport, CT

Software Developer for CR Contracting Corporation (June 2014-August 2014)

Served as the lead Software Developer/Engineer for CR Contracting Corporation which is a premier construction and development firm in New York, New York. Worked to reduce costs and increase efficiencies on projects (lower man hours and project durations) by using custom/original algorithms to analyze project data. Data and project analysis algorithms have been fully deployed throughout all of CRs work and are now an integral process of their pricing and staging phases.

Proficient in Java, C++, Lisp, Golang, Ruby, Objective C, MySQL, SQLite, HTML, CSS, Javascript
